A message from the Head Teacher.

Dear Parents and Carer,

Welcome back to a new term and hopefully the weather will now be much better! I hope you had a good break over the holidays.

Over the holidays we had some gym equipment installed into the playground. This is to encourage exercise during the breaks. Please can I ask that children are supervised using the equipment at the start and the end of the day, as they are during breaks in school time. We also have new markings to the playground floor to encourage more games and active participation during children's break and lunch times.

We have lots of events to look forward to this term including the Family Fun Day on June 30th and our International Evening in July. I hope to see you at these events, as well as at our weekly coffee mornings on Wednesdays in the library. Next Wednesday, April 25th our coffee morning will be on managing children's behaviour. Come for a coffee and a biscuit!

As you are aware on April 1st 2018 New City Primary School officially joined the Boleyn Trust. The aims of the trust are:

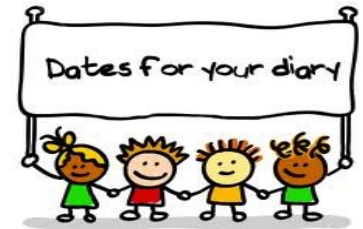

- To deliver the highest expectations and outcomes for pupils in disadvantaged communities.
- To share resources across our schools to provide best value services.
- To offer staff excellent personal and professional development opportunities across our schools.
- To offer parents outstanding school choices to nurture pride and aspiration in our communities.

The Boleyn Trust has an established Teaching School offering strategic support to schools across London. It also has the East London School Centred Initial Teaching facility to train over 50 teachers each year.

The Boleyn trust is directly funded by the Department of Education and is accountable through rigorous scrutiny by the Education and Skills Funding Agency and Ofsted.

Further information about the Boleyn Trust and its family of schools can be found by clicking <http://www.boleyntrust.org> or visit our website at [newcity.newham.sch.uk](http://www.newcity.newham.sch.uk)

All the best-Mrs Stone.

Coffee morning

Please come along to our parents coffee morning on managing your child's behaviour, find out what strategies and tips you can implement to help you have a positive outlook on your parenting skill, and relationships with your children. This will be held in the library on **Wednesday 25th at 9.00 am**

Thank you

Sun Cream

A quick reminder, as the weather improves we ask that you ensure that your child is protected from the sun with a high factor sun cream. Please apply the sun cream before the start of the day and we ask that children do not bring in bottles of sun cream.

Many thanks for your continued support.
