Discover centre

Year 1 enters a world inside a book at Discover Centre Stratford.

This week our Year 1s visited the Julia Donaldson interactive exhibition at Stratford's Discover Centre. We were treated to a reading of 'Tiddle,' a fish with a big imagination and lots of stories to tell. They then delved into the adventurous, imaginative world created by the famous author, and enjoyed exploring scenes from 'The Gruffalo,' 'A Squash and Squeeze,' 'Room on the Broom,' and many more. Children had the chance to act as characters from their favourite books and retell the story in their own words. Our storytelling Year 1's then acted out their own characters and wrote a poem about the world inside their books. They became fire-breathing dragons, marshmallow-eating unicorns and slimy frogs, swooping and trotting and hopping around the Discover Centre, enthralling all of us with their vivid imaginations. We cannot wait to read more of their creative stories inspired by the world they discovered at the Discover Centre.

Gamelan

Last week our Year 3's performed in front of our friends and family. It was a great occasion and those who watched admired the Gamelan show and all of the hard work that the children had put in.

We would like to thank those who came to join us for this wonderful event.
