Danish Visitors

This week we were privileged to host a group of head teachers from Denmark who had heard about the recent successes and accomplishments of New City Primary School. This was a great opportunity for the school to showcase all of the hard work of the pupils and staff to improve attainment at the school. Our visitors were extremely impressed with everything that they saw and they could not have praised the school more highly. We expect that there will be an increased number of visitors from around the UK and abroad visiting to see our wonderful school and everything that we have achieved.

Free Community and family event

Saturday 3rd February 2-3.30 pm

At the Greenway Orchard (Boundary Road entrance)

An Old English tradition - Wassailing, singing to the fruit trees for a good harvest

Noisy procession round the Orchard - bring your pots/pans and lids, singing, warm drinks, decorating an apple tree, toast marshmallows on the fire

Children must be accompanied by responsible adult

Organised by Plaistow South Big Local, supported by Newham Council

A Reminder

Unfortunately we are having to inform all that we have had a recent increase in the trend of spitting in the playground by children and Adults. At New City Primary school we see spitting as extremely unpleasant as it is unhygienic and does not follow the core values and expectations of our school. We ask parents and carers to also bear this in mind. We have a zero tolerance attitude to spitting.

Meet the teachers.

Our Student council have been catching up with our teachers.

Name: Mrs Bull

Role at New City Primary School-Deputy Head teacher.

Where are you from? I was born in London and my mum and dad lived in the Philippines before moving to England in the 1970's.

What made you want to become a teacher? I did some volunteer work with some children when I was younger and I really enjoyed it. It made me realise that every child deserves the best chance in life through their education

What hobbies do you enjoy? I love to try new things, I also really enjoy reading books and watching films. When I am not doing this I love to travel and to socialise with friends.

If you did not become a teacher, what would you have done? I would have liked to have been involved with creative writing or Journalism. I really enjoy English, so something to do with English.

PE Kits

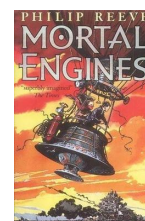

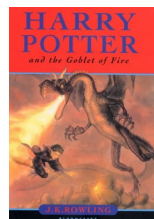

At New City Primary School we value the role of Physical Education (PE) in the promotion of health, co-ordination and well-being. We employ a range of experts to support our pupils' acquisition and development of skills in a variety of sports.

In order for PE lessons to be engaging all pupils must wear the correct PE kit for health and safety reasons. The kit is a white t-shirt or polo shirt and black or blue bottoms. Pupils should have plimsolls for indoor PE and dark- coloured trainers for outdoor sessions. We cannot allow pupils to participate in P.E lessons without the correct kit. Please try to ensure that your child has the correct kit.

If you have any questions or queries please feel free to contact the school.

Reading

Reading at home is a fantastic chance for your child to develop not only the confidence to read out loud and with expression, but to practice their comprehension skills. It would be very useful for your child to read a book of their choice (a new book is sent home from school each week!) out loud to you. You can help by listening to your child read out loud, helping them sound out unfamiliar words and asking them questions such as: "What do you like about this story? Why?" or "How is the character feeling? How do you know?" Please encourage your child to read a variety of texts-it could be a article, poetry, or information books. Thank you for your support!
