Danish Visitors.

Once again we were very busy this week at New City and welcomed some more teachers from Denmark who had also heard about the tremendous achievements that New City has been making. There was a mixture of Senior Leaders and Head Teachers who wanted to see how well the children have been progressing with their learning and to share good practice with us. We are very proud of all the hard work that our children and teachers do and having such high profile visitors travelling from far and wide to see us is a true testament to this. Well done New City!

New City Triumph

We recently received a letter from the Rt Hon Nick Gibb MP congratulating New City Primary School on the high level of progress that we have made. Mr Gibb praised the school for our hard work last year which was reflected in our Key Stage 2 SATS results. The results showed tremendous progress meaning that our school is amongst the top 2% of schools in England in terms of progress made between KS1 and KS2.

We are extremely happy that the school has been recognised for all the hard work of the children and staff. We also ask that parents and carers also join us in celebrating this tremendous achievement and with your support we strive together to further excel as a school. A copy of the letter can be found on our website at www.newcity.sch.uk. Thank you.

Parents evening Reminder

A reminder that our Spring 2 Parents evening will be held on Monday 19th March and Thursday 22nd March. This is a wonderful occasion to share your child's learning. Your child's teacher has sent a letter home to you and you will be able to request a day and time. We look forward to welcoming you all.

Science

This week the children had a very special visitor, a Scientist! Dr Ken visited New City in preparation for our Science Week next week. The children got the opportunity to view and take part in some fantastic experiments which will prepare them well to take on the role as Scientists. We would like to thank Dr Ken for sharing his expertise with us and we look forward to next week.

Attendance

It is extremely important that your child attends school every single day. Failure to attend school every day means that your child is missing out on valuable learning. Please ensure that your child is here and does not miss out! Thank you for your continued sup-
