Head Teacher Update

Dear parents and carers

Next week will be hosting our parents' evenings. This will be an opportunity to discuss your child's progress with their class teacher and look at your child's work. We will also be asking you to complete a short survey to inform our school planning.

On December 16th we have our annual Christmas Jumper Day and Christmas lunch for the children as well as lunch for the community in our Family Centre. Finally our Christmas shows will be taking place on December 19th.

Lots of exciting events ahead!

Best wishes,
Mrs Stone

Important dates-Autumn Term 2022

Jan 11th - Y1 visit to the Stratford Archives

Jan 11th - Y3 visit to the Science Museum

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

Bikeability

Last week, some of our Year 5 children took part in a Cycle Confident course. They were taught how to ride safely and were prepared for short journeys such as cycling to school. Their training took place in small groups on quiet, local streets, giving the trainees a real cycling experience. Well done to everyone who took part!

Y2 Visit the Soane Science Centre

Last week, Year 2 have visited the Soanes Centre in Mile End to learn all about life in a pond. They took part in pond dipping, identified the animals they collected and drew them. They were so well behaved, that they were allowed to use microscopes to look at the tiny creatures that we couldn't see without using equipment.

Y1 Local Walk

Last week, Year 1 took a walk around the local area as part of their learning in Geography. The children were set the task of identifying how the land in the local area is used. The children were brilliant at spotting how many bus stops they could see as well as explaining why the Greenway was built. Also, the children were able to identify a local secondary school and a hospital where many of them would have been born. The children will now use this knowledge to begin to discuss how we travel around our local area and what the best form of transport for getting to school is.

Mr Freeland's Book Review

Adam Wins the Internet

All Adam dreams of is being a famous YouTuber like his heroes - but with a broken old phone, no money and absolutely zero online presence, it looks like that dream isn't coming true anytime soon. When he clicks on a weird-looking advert he meets Popularis Incrementum - an AI with the mysterious ability to skyrocket him to megastardom! As Adam starts accumulating more and more subscribers to his new video channel, his popularity starts to get out of control. Suddenly he's making big money off adverts, flying his mum and brother to Ibiza for amazing holidays, and putting on a live show at the London Arena - even the school bully wants to be his friend! But fame and fortune can't last forever, and Adam finds himself in a race against time to remember what's truly important. Created by Blue Peter presenter and YouTube sensation Adam B, this is an ideal read for social media-obsessed children aged 8+ and a good reminder that the most important things in life aren't always viewed through a screen.

Year 3 and 4 Visit UEL

Year 3 and 4 visited UEL sports dock where they took part in a range of physical activities including skipping, volleyball, football and cricket. In their groups, children learnt how to skip forward and backwards, pass a ball whilst moving around, how to field and bat in cricket and played a mini game of football. Children had the opportunity to also watch university students play basketball and ask questions about their careers.

Friday 16th December 2022

This Christmas, we are fundraising for The Kevin Jenkins OBE Newham Christmas Toy Appeal.
Help us to provide stockings to over 2000 disadvantaged children across Newham.
If you do not have a Christmas jumper, there is no need to buy a new one. We will have 'jumper decorating' supplies (think glitter, stickers, felt, etc) in school and can help your child to decorate any old jumper!
Please donate whatever you can!

Week 3	Monday	Tuesday	Wednesday	Thursday	Friday September 2nd
