Head Teacher Update

Dear parents and carers

We have had an action packed half term ending today with Express Yourself. Thank you for your ongoing support. Next half term starts the attendance award scheme so please ensure that your child attends school every day. Have a lovely week with your family and friends

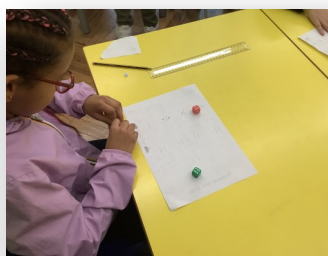

Best wishes
Mrs Stone

- March 14th – Parents evening – 3:00 – 6:00
- March 20th – World Oral Health Day
- March 22nd – Cheerleading showcase
- March 28th – Child of the Term

Number Day

Last Friday the whole school celebrated Number Day! The children (and staff) dressed up in Maths related clothes and took part in fun Maths activities! This was in aid of raising the profile of mathematics within the school and it was a great opportunity to remind that children that Maths plays a huge part in all aspects of their day to day lives. Number day was organised hand in hand with the NSPCC and donations were made to this charity by our New City families, thank you we raised £173.70

Debate Mate

Last week, our debating team took part in their first competition of the year at Godwin Junior Primary School. 18 children took part and they all represented our skill with immense pride. They showcased their incredibly debating skills, debating topics such as video and games and children electing headteachers! They did amazingly and won 4 out of 6 debates and should be incredible proud of themselves.

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

Fair Play House

This week some of children went to Fair play house an activity centre. They had a great time enjoying a number of different activities such as Low ropes and Zip wires!

Docklands Museum

Year 4 visited Museum of London Docklands as a part of the World War II unit in History. The trip enhanced their understanding and knowledge of the impact of the war on Docklands and how Docklands was rebuilt after the war. They also explored galleries which gave them further information about what life was like in workhouses just before the war.

Mr Freeland's Book Review

Stitch and his friend Henry Oaf live in a large castle with the Professor. They haven't seen the Professor for 328 days because he told them he was not to be disturbed. When the Professor's nephew and his ward Alice arrive to visit, Stitch and Henry Oaf realise that they are only seen as experiments, or monsters, and they must escape the only home they've ever known. But where or who would welcome such 'monsters'? slightly younger children, provides a lot to think about and to feel – most importantly empathy. It is for confident readers, or a whole class read, and should leave readers considering how they might treat strangers, or people who look different to them. Note: death is discussed.

Eco Warriors

As part of the Eco-schools' program, the Eco-warriors have met recently to carry out an audit of how 'eco-friendly' New City is and to devise an action plan in order to improve New City's 'green' credentials. From the audit results the Eco-Warriors highlighted the following areas as requiring attention:

- Global citizenship
- School grounds
- Energy

In our meeting, we also enjoyed making bird feeders using pine cones, biscuit spread and bird seed.

Eco-warriors 'go green' tip: Why don't you make your own bird feeders? Cover a pine cone or other suitable object with peanut butter or honey. Roll it in some seeds/ crushed cornflakes/ porridge oats and hang up by string.
