

## Choir

Our amazing New City choir have been working hard this term to learn 14 songs for their annual performance at Young Voices. As part of the Commonwealth choir, our New City children have been learning an additional 4 songs which they will perform in the New Year. Even though they have been working hard to perform for shows they made time to sing within their community at a care home located in Plaistow.

## Mr Freeland's Book Review People Need People

To walk to, to talk to, to cry and rely on, people will always need people. Benjamin Zephaniah's uplifting rhyming text shares the many reasons why people need other people. People are very useful - to play with, to learn from and to hug! The delightful illustrations by Nila Aye show people interacting in all sorts of situations - in the park, the nursery, the airport and a family feast, to name a few. Every child is having fun in the pictures, and between them they represent a large variety of ethnicities. Everyone in the world needs people, after all! It is impossible to read this book and not smile. The poem is perfect to read aloud, as you'd expect from a prizewinning poet, and the cheery yellow endpapers, peppered with smiling faces, set the tone for

pleasure from the moment you open the covers. This is a wonderful celebration of community and connection. A joyous book to share, with charming details to spot on every spread.

## BMX

Year 5 and 6 children had the amazing opportunity to complete two BMX training sessions on a mini BMX track. They started off each session learning about health and safety, then practising their level-pedalling and braking skills before finally completing a few laps on the track.
