Year 5 Visit the British Museum

This week, year 5 went on a trip to the British Museum to explore Ancient Greece. The children discovered what it meant to be a citizen of classical Athens, the sporting events of the ancient Olympic Games, the heroes and heroines of Greek mythology and experienced the magnificent architecture. This was a fantastic opportunity for us to learn even more about the fascinating civilisation and culture of the ancient Greeks.

Year 3 Visit the Science Museum

Last week Year 3 went on a trip to the science museum. The year 3's explored forces at the museum which was exciting and educational! The trip was insightful and a great way for them to use the knowledge they have developed in class and link it to what they saw in the museum.

Mr Freeland's Book Review The Kindest Red

Faizah's teacher asks the class what kind of world they want. Some want an ice cream world or a unicorn world or a funny world. Faizah would like a kind world. She and her friend Sophie set about creating one in school. They help Andre find someone to play with, put a plaster on Priya's hand, and play basketball with Asiya, Faizah's older sister. Their class photo is full of big smiles. But when it comes to the sibling photo, and Faizah sees everyone else matching their siblings, she's upset. She and Asiya don't look like they match. What can they do? Luckily, kindness from their friends helps save the day! This charming book reminds children that even the smallest gesture can mean a lot to others. Faizah and Sophie make an excellent pair, spreading thoughtfulness everywhere, and there is gentle humour in the interactions between the class. The illustrations are dynamic and colourful, with some lovely cheeky and happy expressions on the kids' faces. The sisters Faizah and Asiya also feature in the brilliant picture book *The Proudest Blue*, and the love they have for each other shines out powerfully in both books. A delight!

The Chicks Arrive in EYFS

We've had an EGG-citing delivery this week in our Early Years! On Monday we had 10 eggs delivered to BOTH Reception and Nursery and the children have been bursting with excitement to see what will hatch out of the eggs. On Wednesday the children were delighted to see some of the chicks had already hatched and were able to witness the process of hatching throughout the day. We will be looking after them for a fortnight and the children will gain so many valuable learning opportunities from having them here at New City.
