## Head Teacher Update

Dear parents and carers,

Thank you for all your support for our Children in Need Day!

We have our parents evenings starting the week of December 5th. Letters have been sent to you so please book a time with your class teacher.

Don't forget to use StudyBugs to let us know if you child is going to be absent and check your Marvellous Me account for messages.

Thank you  
Best wishes,  
Mrs Stone

- Jan 10<sup>th</sup> - Flu vaccines

Please note all information regarding dates, policies and the curriculum can be found on our website at [www.newcity.boleyntrust.org](http://www.newcity.boleyntrust.org)

## Children in Need Day

On Friday 18<sup>th</sup> November, we held a fundraising event for Children in Need. The children came to school in non-uniform, with many adopting Pudsey's signature look of yellow and spotty. Thanks to all our families who donated - we raised £215 to help children all over the UK thrive and be the best that they can be!

## Year 5 and 6 Online Gaming Workshop

On Thursday 17<sup>th</sup> November, KS2 took part in a 'Clever Never Goes' assembly workshop about the dangers of online gaming organised by the local Metropolitan Police. They spoke about how the internet can be a great resource for many reasons, but how it also comes with its dangers. They provided some key rules to remember when going online especially when online gaming and using chat room forums. This was a great opportunity for the children to ask and answer some pertinent questions but also take away key information to keep themselves safe when going online.

### Year 3 Visit to the Thames Barrier

As part of their learning in Geography about UK rivers and seas, Year 3 went to the Thames Barrier Park. They were able to discuss the meander, mouth and estuary of the River Thames and explain how the Thames Barrier prevents London from flooding. Did you know, without the Barrier, places like the O2 Arena and Tower Bridge would be flooded?

### Star of the Week

RG— Neha RS—Jordan  
 RT—Maximillian 1P—Aisha 1F— Ubayd  
 2JU- Aryan 2DR-Rebecca 2DA— Mohamed 3BU-  
 Saud 3Bi- Michael 3G—Sulayman 4M- Saifan 4T-  
 Shakira 4P- Penny 5R- Destiny 5S—Wasim 5K -  
 Zaryab 6JEA- Fatima 6C—Haneen 6W—Majid  
 Learning Hub—Ayaan

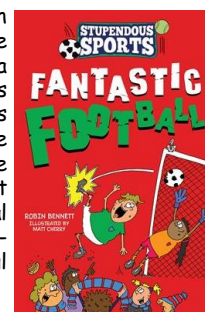

### The Toy Workshop

Year 1 had an exciting History workshop from Pollock's Toy Museum which is the oldest toy museum in the UK! We observed a 100 year old doll that had a face made out of clay because they didn't have plastic back then. The toys that we looked at did not have batteries in them. We enjoyed playing with the fragile toys and seeing how they work. We even put the toys in chronological order!

### Mr Freeland's Book Review

According to FIFA, there are over 250 million people playing football in 200 countries, and an estimated 3.5 billion fans: nearly half the people in the world! All the more reason for there to be plenty of books about football for young fans who want to know about how football came about, the amazing stories connected to the sport and all the facts about how it's played and who plays it. *Stupendous Sports: Fantastic Football* begins with the origins of football in China more than 2000 years ago, followed by its existence later in England as "foteballe" - a rough, violent game which could feature hundreds of players, with goals miles apart and with so much fighting that King Edward II banned it in 1314. Fortunately, of course, football is very different nowadays, and the book also charts the rise of women's football which is, today, rapidly growing into a very successful sport. Following this with chapters on the positions of the players within a team, how a match works, skills and tactics and the future of the game, this amusing and well-written guide to football is a really enjoyable read, even for people who aren't fans. However, its main appeal will be to die-hard football enthusiasts, who will find an awful lot to enjoy.
