June 4th - Stay and Write in Reception

June 4th - Stay and Play in Nursery

June 7th - Zones of Regulation Drop Down Day

Please note all information regarding dates, policies and the curriculum can be found on our website at www.newcity.boleyntrust.org

Earth Day

On Friday 19 April, New City celebrated Earth Day by wearing green! In assembly, the eco-warriors explained the purpose of Earth Day, and launched a reduce energy poster competition. In KS1 and KS2, the children then learnt more about the history of Earth Day and the importance of looking after our planet. Many year groups also developed their mathematical data-handling skills by producing graphs showing how good classes were at turning off lights. Year 1 used balloons to make models of the Earth! We'd love for parents and carers to support us at home by encouraging your children to enter the poster competition and also to reduce energy usage by turning off lights and electrical appliances. For ideas of earth Day type activities, please visit: <https://www.earthday.org/earth-day-2024/>

History Workshop

This week the year 3s were visited by an Anglo Saxon and they learnt all about the events during the Anglo Saxon period of history. Children had the opportunity dress up an Anglo Saxon, they discovered this was very hard to do. They re-enacted a battle between the Anglo Saxons and the Vikings and played some games from this period of history. Everyone had a fantastic day and are now looking forward to discovering more about the Anglo Saxons during history lessons this term.

Chess at New City

Last term the Chess team took part in a tournament held at Gallions Primary School. The children played a number of games and Chess has grown in popularity here, to the point where the children asked Mr Dutch for a giant sized chess board to be added to the playground so that all of the children could access it.

Marathon Runners

Congratulations to our very own Mr Dutch and Miss Jukes who both completed the London Marathon on Sunday. The pair ran 26.2 miles starting in Greenwich Park before looping round Canary Wharf and finally crossing the finishing line in St James Park. New City is extremely proud of them and the money that they both raised for charity.

Mr Freeland's Book

Review

The message that Earth is special and worth saving is an important one, especially now, when climate issues are so prevalent. *Dear Earth* is an inspiring story of a young girl named Tessa, who writes a love letter to the Earth in celebration of its many wonderful components. Tessa has the opportunity to blow bubbles with majestic whales, soar with the birds, and join in the noise and excitement of the rain forest. She believes that if we all work together to spread the message that Earth is special and worth saving, we will be able to keep our planet beautiful for many years to come. Includes back matter with ways to help save the Earth, as well as a letter template for

Week 3	Monday	Tuesday	Wednesday	Thursday	Friday
