

Year 6 Visit the British Museum

This week, Year 6 had the amazing opportunity to visit the British Museum. We explored a variety of different topics within our visit, such as the Maya, the Ancient Egyptians and the Shang Dynasty making it a wonderful recap of a variety of topics studied during their time at New City! It was a fantastic first trip of the year!

This week, a group of 24 Year 5 and 6 children completed a Level 2 Cycle Confident course. They learned all about bike safety and how to prepare for short trips, like riding to school. Training took place in small groups on peaceful, nearby roads, offering a genuine biking experience. Well done to all who took part!

<u>Mr Freeland's Book Review</u> Pedro Loves Saving the Planet

Pedro is spending the day with his friends at the school's eco cabin. There is much to discuss, such as eco-friendly ways of travelling, ways to save water, and how important bugs are to our planet. Plus they have lots to do, including planting seeds, recycling and composting, and admiring a beautiful old tree. Finally, they all make a pledge to do something that will help the planet. This is part of the Nature Heroes series, and it's packed with facts about nature and what we humans can do to

help protect it. Importantly, the children featured are a diverse mix, and Pedro himself has hearing aids. This casual inclusion brilliantly reflects the society we live in.

| Week 2 | Monday | Tuesday | Wednesday | Thursday | Friday |
