Thank a Teacher Day

We celebrated this event by dedicating this day to celebrating ALL THE STAFF that help us with our learning in school.

We wanted staff to know how much we appreciate the hard work they do all year round! There were a few little surprise treats throughout the day to show our support and appreciation in saying 'Thank you' for doing what they do day in day out to shape and mould our children so they leave New City Primary being the amazing individuals that they are!

This included a special assembly just for staff where the children created some wonderful artwork, poetry, posters and cards for staff to let them know how much they are valued!

Sports Day

Our annual Sports Day was something we all eagerly awaited, and when it finally arrived, it was a day full of excitement, laughter, and teamwork. The day was filled with energy as children, teachers, and parents gathered to cheer everyone on. As the events unfolded, we witnessed amazing displays of athleticism and determination. The races were nail-biting, with every child pushing themselves to their limits. It was more than just a day of sports; it was a day that brought us all together through teamwork and a shared passion for healthy competition.

Healthy Eating Poster Competition

Competition

Last week we ran a Healthy Eating poster competition. Congratulations to Jasim (5S) Sara (2JU) and Lana (Nursery) for their winning entries

Year 3 Gamelan

Over the past 2 weeks year 3 have been learning all about Indonesian culture through the Gamelan project. They have learnt about the Geography of Indonesia as well as the animals that live there. They made shadow puppets and practised Gamelan music using traditional instruments.

This culminated in a fantastic show which they put together for the parents. Well done year 3!

New City's Vending Machine

This week saw the launch of our book vending machine, with two lucky children selected to be the first to redeem a token for a book. Well done to Amalya in RG and Cira in 4M who both won a token for their commitment towards their reading, filling in their reading journal each day and working hard in their reading sessions. Each week, children will be selected to receive a token based on how much they have read at home and how well they have worked in school. Will you be the next winner of a reading token?

Attendance Award

The best class attendance this week is: 5R

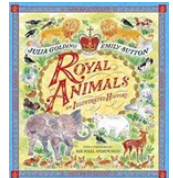

International Visitor

On the 12th of June we were proud to host a German teacher, Miss Frau Simona Hubber from Hermann Lons Schule. This was part of an international programme organised through UK German connections and it was a great opportunity to exchange ideas and gain insight into the German education system. We also discussed educational issues and reflected on our current practice. Miss Hubber was very much impressed with our school and we talked about developing a school partnership and organising future project activities.

Ms Fuzzi's Book Review Royal Animals

An apt royalty-themed book for this special coronation year! Julia Golding's history of royal animals is a fascinating and educational collection of true stories of animals associated with British royalty since 1066. Year 6 are familiar with the work of Julia Golding, an award-winning author whose past work is often historical, and this book continues this theme. At the beginning of the book, the Royal family timeline is a helpful reference and sets some context for the following stories. This book is full of wonderful facts and amazing true stories, most of which are quite a surprise - like learning that there were giraffes in Windsor Great Park and that royals were given elephants and thought they should be given wine to drink! The very final picture was particularly heart-warming, a lovely image of our recently passed Queen riding one of her beloved horses through the woods. This tender image is particularly poignant after she passed away not long before this publication.

Gentle Reminder

Please ensure all children are wearing black shoes/trainers with no motives and the correct school uniform. Our policy is on our website. Also we do not allow water bottles in school due to hygiene issues. We have plenty of water stations around the school. Thank you
