| Meeting national curriculum requirements for swimming and water safety  | Please complete all of the below*:   |
| What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 meters?       | <p>68%</p> <p>The closure of the pool on some occasions (for unforeseen circumstances) directly led to fewer opportunities for all students to attend swimming lessons. This closure forced the school to reschedule or cancel sessions, resulting in fewer lessons for some students compared to others. We aim for all students to receive the same number of lessons.</p>   |
| What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? | <p>59%</p> <p>Some students with physical disabilities or injuries found it challenging to effectively perform certain strokes, thereby impacting the overall percentage. Moreover, closure on certain occasions (as mentioned above) restricted the opportunities for students to practice and refine their technique in all strokes. We have focused our efforts on ensuring pupils can swim over 25m using fewer strokes.</p> |

| <p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>  | <p>66%</p> <p>Students with physical disabilities or injuries faced challenges in executing certain strokes, which affected their ability to showcase safe self-rescue techniques. Additionally, occasional closures restricted opportunities for students to practice and refine their skills. All students are aware of what to do in a self-rescue water-based situation.</p> |
| <p>Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p> | <p>Yes</p>   |
