New City Primary School Year group: 4 Autumn Term 2023

Welcome back to school. This term we are doing some very interesting and exciting things. We are keen to encourage parents and carers to help in their child's learning at home and as such we are providing you with this overview of what we shall be teaching at school. We also value any resources that you can contribute related to any of our topics. We also ask you to help us by making sure that all homework is completed. If you have any queries please feel free to have a chat with us.

| and Michael Rosen throughout the year. They will also explore authors such as Tony Bradman and Jeff Kinney. The children will activities involving measurements, ordering many than the children will also learn shout the features of non-fiction texts, such as instructional and persuasive writing. They will explore narrative texts and apply their knowledge of fiction writing to create their own narratives. The children will ado learn shout the features of poetry. History & Geography In History, the children will so learn shout California and its climate, making comparisons with our capital city, London. They will study earthquakes and extreme weather and also begin to understand the human and physical implications of tourism. At the start of the Autumn term, children learn all about the internet and recognise it as a network on the reader's and extreme weather and also begin to understand the human and physical implications of tourism. At the start of the Autumn term, children learn all about the internet and recognise it as a network of networks, including the World Wide Web, and why we should evaluate online content. They will then only a should evaluate online content. They will then of the properties of the autumn term, children will be learning about the internet and recognise it as a network of networks, including the World Wide Web, and why we should evaluate online content. They will then of the and also begin to understand the human and physical implications of tourism. Mandarin Religious Education Religious Education Religious Education PSHE This term, the children will be looking at how to 'introduce yourself' and 'Emotype exploring the topic 'Emotions', the children will be looking at how to 'introduce yourself' and 'Emotype exploring the topic 'Emotions', the children will be learning about the Bible and whether the required purpose is fulfilled.
