Head Teacher Update

Dear parents and carers

We have a long weekend this weekend with May Day bank holiday on Monday, so school will be closed!

Please remember not to bring in any food for children to celebrate birthdays etc as many children have allergens and we are a healthy school.

Stephen Lawrence

On the 22nd of April the children celebrated Lawrence day which is the anniversary of Stephen's death.

Stephen Lawrence Day was announced as an event in 2018, 25 years after his death. It was first marked in 2019. A number of children spoke in our whole school assembly on Friday about how the Stephen Lawrence Foundation helps educate young people. His legacy and foundation links closely to our school vision and race charter themes of anti-racism, respect and celebrating **diversity**

Mr Freeland's Book Review

The two cats Tom and Mot are best friends and share the same birthday. Tom gives Mot a feather – but could it be a feather from the most spectacular bird in the world? Mot gives Tom a marble – or is it the smallest planet in the universe?

Petr Horáček's illustrations are soothing and captivating, transporting you into the world of his characters' imagination, accompanied by a charming message of spending time together. This heart-warming picture book about the power of imagination and friendship will be the perfect present for bedtime.

Healthy Schools and Birthdays

Dear parents and carers,

We love to celebrate our children's birthdays here at New City and make it as special a day as possible for them. We do however ask that parents and carers do not bring in sweets and sugary snacks as we are a healthy school and need to be mindful of children with allergies. Please feel free to bring in healthy snacks such as fruit for the children which we will give out.

Thank you
