## Head Teacher Update

Dear parents and carers

This week we heard the very sad news about one of our former pupils Diana Elsaedy-Vellejo passed away after her battle with leukaemia. Our thoughts and prayers are with her family. Next week is our KS2 SATs week. We wish our Y6s all the best with their exams!

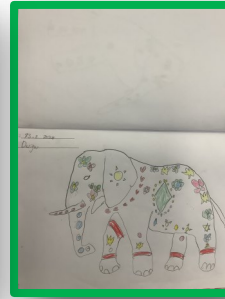

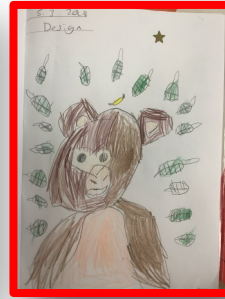

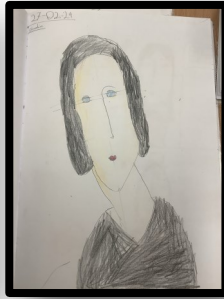

Best wishes  
Mrs Stone

- Please note all information regarding dates, policies and the curriculum can be found on our website at <https://newcity.boleyntrust.org>

## Art at New City

Art at New City is woven throughout the whole curriculum as well as being taught as a discrete subject with all Art lessons planned and usually taught by a specialist Art Teacher (A practising and exhibiting Artist in his own right) in a purpose built Art room. Alongside this Children have opportunities to work with artists and designers both in school and on educational visits. We use a wide range of media for both 2 and 3 dimensional work.

## Football match

Last week we welcomed Cleves Primary School, another school within The Boleyn Trust for a football match. We played four fifteen minute games and overall won 9-2. The team showed real sportsmanship and it was a real team effort to win. Well done to everyone from both schools who took part and a special mention to Dennis (pictured above) you scored four goals!

**Come on New City!**

## Polling day and British Values

Last Friday Ms Bull spoke to the school about our British values. The reason being that our school was closed on Thursday as it is used as a polling station. Ms Bull outlined the British Value of 'Democracy' and discussed how our School Council is an elected group of students from all year groups across the school. The Council meets every 2 weeks with one of the school's Learning Mentors. Children prepare for the meetings by talking with their classes about ideas and issues which the students feel are important.

Attendance Award: 4S and 6K-100%

## Mr Freeland's Book Review

Skylar and her best friend, eco-activist Dana, are completely (but appropriately) obsessed with AZ8, their favourite K-pop band. So when her parents ban anything AZ8 related for one whole week and her headteacher confiscates her light-up dancing bunny-ears hat, she is pushed to recklessness. But as she demands that Ms Callus returns her hat, something strange and slightly scary happens; a huge flash of dazzling lightning and then everything goes black. And when Skylar opens her eyes again, she and Ms Callus seem to have swapped bodies!

## Year 5 Into University

This week year 5 visited into university for a focus day on studying Zoology at university. The classes were split into teams and were set different challenges to earn points. The children investigated food chains and the importance of different animals. the importance of animals camouflaging in the wild and why animals rely on camouflage for survival. . In the afternoon they had a visit from Zoolab and they were able to look at different animals such as an African snail, tarantula and Terry the snake. By the end of the session year 5 were able to explain all the different components that are required to become a Zoologist.
