Year 4 Science Museum

Year 4 visited the Science Museum to enhance all their learning they have done so far in Science this year. The trip started with a visit to the Space Gallery where we were able to explore how different adventures to space took place and saw a piece of the moon. We then went into the Wonderlab where we were able to explore 50 different interactive experiences covering all areas of Science including watching a chemistry and lightening demonstration.

Year 6 Spanish

Our Year 6s were treated to an amazing experience this week: a Spanish lesson delivered by secondary school pupils from Rokeby. The pupils were respectful and engaged throughout making the teachers feel welcome showing true New City spirit! They learnt about numerous different sports in Spanish through a variety of engaging activities! Fue muy bueno!

Mr Freeland's Book Review

Will and his dad don't have much. Will's shoes are leaking and they're definitely not the cool shoes to wear. Chris Tucker and his gang frequently bully Will on the way to school. When Will has an argument with his best friend (well, his only friend), he finds himself on a downward spiral. Too proud to ask for help from his mum, and with his dad in debt to a loan shark, Will has a choice. Make a bit of ready cash but feel guilty forever, or do the right thing.

Attendance

Dear parents and carers

Thank you all for your continued support with attendance and punctuality at New City. We have seen such a positive impact with our attendance across the school and this is thanks to all your support. Last year at this time the percentage of children with at least one absence was 75%

and this is now 69%. Every day at school makes such a difference to the children's progress and overall development.

Your continued support with attendance and punctuality is much appreciated as we enter the final half term of this year. Once again there will be tickets available to the cinema for all children who have 100% attendance since the start of term and a visit to a theme park for all those children who have been at school every day since February.

Thank you
