Chinese Bridge

We are incredibly proud of our students who have chosen to participate in the Fourth 'Chinese Bridge' Chinese Show for Primary Schools. This international contest, organised by the Centre for Language Education and Cooperation and launched in 2021, aims to foster a love for the Chinese language among young learners. With the theme 'Chinese, Joy % Fun,' the event provides a platform for students worldwide to showcase their Chinese language skills in an enjoyable and engaging way. Our dedicated children will represent New City by submitting a video where they recite a poem and sing a song. We wish them the best of luck!

Eco Warriors

As part of our Eco-schools action plan to improve the school grounds, the children also planted some sunflower seeds and did some weeding in the rooftop garden.

Join us for our Community Eid event!

Mr Freeland's Book Review

Bobby loves football and so does Nana-ji, his grandad, even though they support different teams. Every Wednesday Nana-ji watches Bobby play for Wigby FC Juniors. One day, Bobby is helping his mum at the community food bank, and an old man comes in. He also watches the local football teams, and Bobby chats to him. Trevor seems lonely, and he loves reggae music, like Nana-ji. So Bobby hatches a plan to get the two men to become friends – and it involves a strange kind of football! Ideal for reluctant readers, thick yellow paper ensures words and pictures don't show through the pages and confuse the eye. A unique, dyslexia-friendly font makes reading easier and the story is specially edited to help minimise barriers to comprehension.
