## Year 3 Gamelan Performances!

This term, year three were visited by the wonderful Aris, who guided us in putting on a Gamelan performance.

Gamelan is a traditional Indonesian musical ensemble, originating on the islands of Bali and Jawa. To put on this performance, the children created shadow puppets to go along with the three plays that they were performing alongside the music. The children did a spectacular job and learned a lot about Indonesian culture.

### Stay Play and Read

Our Nursery and Reception teachers were very grateful to have such a high number of parents join yet another stay and play and stay and write session! The parents had a fabulous time playing with the children, looking at how we teach writing and looking through their child's profiles to see the exceptional learning they have been doing throughout the year! Teachers were also available to talk to parents on how they can prepare their child for Reception and Year 1 at New City.

### Mr Freeland's Book Review

Yasmin Shah is a quiet girl in a REALLY loud family. It seems like no-one's ever listening to her - so one day, Yasmin decides to stop talking. She retreats into silence and playing checkers with the people at the elderly day care centre. This is a unique story, with a heroine whose likeable personality comes across although she does not speak a word for most of the book. It would suit readers who like a laugh-out-loud story with a big heart and a spark of magic.

### Hockey

Last week eight lucky children from year 6 were selected to watch Team GB vs China play Hockey at the Olympic Stadium. It was a fantastic and high scoring game which went down to penalties!

Team GB prevailed and won 11-10 in the penalty shoot out!
