Head Teacher Update

Dear parents and carers,

I am very pleased to announce that the school have achieved the following award. This took a lot of hard work across the school and with their support of our governors!

Well done to everyone !

It was lovely seeing so many parents at our parents' evening. Thank you for your ongoing support

Best wishes Mrs Stone

Year 2 Southend

This week Year 2 went to Southend to carry out fieldwork to answer a geographical question: Is the seaside a good place to visit? The children observed the activities that take place at the seaside and collected data. They also observed the cleanliness, air quality and noise levels. Although the weather was not on our side, the children had a fabulous time and consolidated their learning about features of a seaside.

Reception Young V and A

Last week, Reception enjoyed a visit to the Young VA museum in Bethnal Green. Firstly, they took part in a workshop where they were able to see and touch toys from the past. The children were exceptionally well-behaved, and this was a great opportunity to support the children's understanding of their history topic 'past and present'

EYFS Sports day

This week our EYFS took part in our annual Sports Day! The children showed remarkable determination and sportsmanship in every event, from the sack races to the relay races. Each child gave their best effort, and it was heart warming to see them encourage and support one another throughout the day. Their enthusiasm and teamwork were truly inspiring. A big thank you to all the parents and families who came out to cheer on our little champions. Your support made the day even more special for the children. We are incredibly proud of all our students for their hard work and fantastic achievements. Here's to many more fun-filled and successful events in the future!

Mr Freeland's Book Review

Maya loves walking. There are so many different types of walk to enjoy: walks where she and her parent listen to the sounds around them: birds singing, people talking, dogs barking. Then there are walks where Maya can smell the different smells: the earthy goodness of soil, the perfume of flowers and a blade of grass rubbed in your hand. There are walks where you can find the rainbow colours along the lovely coastal path: yellow for the sun, blue for the sea, violet for the flowers and orange for a passing boat. But, most of all, the best walks are when Maya and her parent are together
