Reception Graduation

To celebrate the Reception children coming to the end of the Early Years Foundation Stage, we held our first ever graduation event in the school hall. Parents and Carers were invited to join us for this ceremony. To celebrate this major milestone we had a short presentation and all children received their own graduation certificate. This was an exciting time for our children to celebrate and reflect on their achievements and learning this year.

Thank You for all the parents for attending this spectacular and memorable event and good luck to our Reception children transitioning into year !!

Cheerleading

New city took a team of 17 children to the cheerleading festival held at the excel last Tuesday. The team competed against 13 schools in what was an extremely competitive day! New city came first and received gold in their group and were then crowned overall grand champions for the day. All the children really enjoyed the day and were a credit to New city school, well done!

Democracy at New City

Last week, in the light of the General Election, Year 6 carried out their own election! This involved researching the manifestos of the main parties. The children then chose a party who they'd like to represent and wrote a speech encouraging voters to vote for them as the party's representative. The speeches were then presented and everyone had the opportunity to cast their vote and post in the ballot box. At New City, the winning party were the Greens!

Mr Freeland's Book Review

Nine-year-old Maggie is adamant that she's not moving from the bustling city of Leicester to Knobbly Bottom, a tiny village in the middle of nowhere, but Mum won't listen to reason. Mum has blatantly lied about the virtues of the countryside: the air is not cleaner, it stinks of poo; it is definitely not peaceful, with cows, birds and combine harvesters making a hullabaloo day and night; and it is absolutely not safer than the city, as Maggie quickly discovers when she encounters a flock of talking vampire sheep, with sharp yellow fangs and glowing red eyes, who are determined to take over the world. With a fast-paced plot, off-the-wall humour and dynamic black-and-white illustrations, this hilarious chapter book, is the first in a fabulously funny series that is perfect for junior readers
