Head Teacher Update

Dear parents and carers,
We have made it the end of another year and what an amazing year it has been! Thank you for all your support! I would like to wish our Y6 all the best as they move on with their learning. I know they will all do extremely well. We are also saying goodbye to Billy, Ms Drysdale, Mr Arnell and Ms Radford, who are all going onto bigger things! We wish them well
Have a lovely summer!
Best wishes Mrs Stone

Please note all information regarding dates, policies and the curriculum can be found on our website at <https://newcity.boleyntrust.org>

Year 6 Show

This year the Year 6s have been working incredibly hard to deliver some amazing performances of Absolute Theatre's 'The Story Tree'. This is a story designed to inspire the wonders of telling stories. They have all shown brilliant talent and dedication to remember their lines and songs, create incredible props and deliver incredible acting performances and all of us at New City are incredibly proud of them.

Southend

On Tuesday, select year 6s got to celebrate their incredible attendance at Adventure Island in Southend. They showcased their bravery while riding thrilling park attractions! It was an incredibly fun day for our Year 6s and a great way to celebrate the end of their time at New City- much deserved for their commitment to come to school every day!

Nursery Carnival

At New City we celebrated diversity and culture and on Thursday 18th July we hosted our very own New City Nursery Carnival. A variety of exciting activities took place and the children and staff thoroughly enjoyed this dynamic and colourful celebration.

Star of the Week

End of Year Shows

Thank you to all the parents and carers who supported the children during their end of year shows, we think you will agree that the children were fantastic! There are lots of photos on the website

Mr Freeland's Book Review

Does a Bear Wash Its Hair?

Animals have routines, just like you. From cleaning their teeth to making friends, learning and even getting dressed, find out how animals do the same things that you do. For instance, bears keep clean by licking their fur, while cleaner wrasse fish nibble off bugs from larger fish. And the poo of blue whales is bright pink or orange or green! Some crows even tidy up after they've eaten. Written in rhyme so that it's fun to read aloud, this picture book is remarkably informative. There is a variety of animals depicted in bright, friendly illustrations. From birds to mammals to fish to reptiles, there is something interesting about all of them. Young children will enjoy comparing their own routines to that of the animals', and there are speech bubbles from the animals, to encourage empathy. This would be appealing to pre-schoolers and children in Reception, and useful both at home and in the classroom as it could start conversations about self-care activities.

Child of the Term

This week our Child of the Term winners went for lunch with Ms Stone. The children had a lovely time and enjoyed a well deserved pizza!
