Year 4 Homework Guide for Parents 2024-25

Day	Year 4
Monday	Spellings - in homework book
Tuesday	Comprehension - in homework book
Wednesday	Mathletics/Timestable Rockstar/Maths in homework book
Thursday	Hand in Books/change reading books
Friday	Long Write - in homework book

Background

At New City we believe that homework is vital to children's progress.

On entry to school, all children and parents sign a pre-school agreement in which roles and responsibilities are outlined. Within this agreement are references to children completing homework as well as the parental responsibility to both ensure that homework is completed and that necessary help and support is provided at home.

Homework tasks are set for pupils at New City with the purpose of supporting the ongoing progress and achievements for all pupils.

Aims: Why do we set homework?

We view the purpose of homework adding value to children's learning:

- It instills good learning habits for life
- It allows children to consolidate skills learnt in class, particularly in English and Mathematics

Spellings

Spellings are set out by the national spelling rules which are adopted by every school in the country. These aim to move children away from phonetic decoding, and towards an accurate way of spelling. Children will follow one spelling rule per week in their English lessons. The spellings then sent home on a Monday will reflect this rule. Please continue to practice these spellings 3 times, using the look, cover, check method.

Comprehension

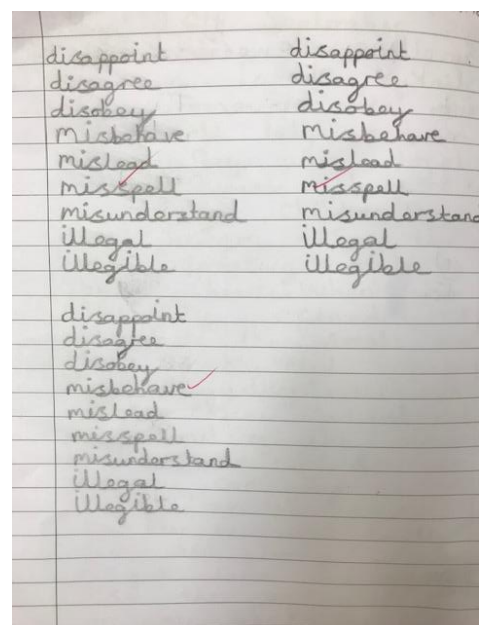

Every Tuesday, the children will receive a comprehension piece to read and answer questions on. Comprehension skills are taught every week at school and the children can build upon these reading skills at home. Please continue to support your child with their reading at home.

Mathletics

We also use Mathletics as an online resource to help consolidate your child's learning in maths. Mathletics can be accessed online at <http://uk.mathletics.com/> or you can download their app on any tablet or mobile phone. Mathletics homework will be set by your child's class teacher on a weekly basis. Every child has been given their own individual login and password.

The learning that has been set either reflects the learning from the classroom that week, or is a key skill which a teacher has noticed needs consolidation.

Mental Maths

Mental maths is hugely important for developing children's mathematical skills and their confidence in maths. On a Thursday, children are expected to spend some time on Times Table Rockstars to help with their mathematical fluency. There will be additional homework sent home for children who are unable to access Times Table Rockstars or for those who need further support with their learning.

You can find Times Table Rockstars at

<https://trockstars.com>

When selecting a school, you need to select:

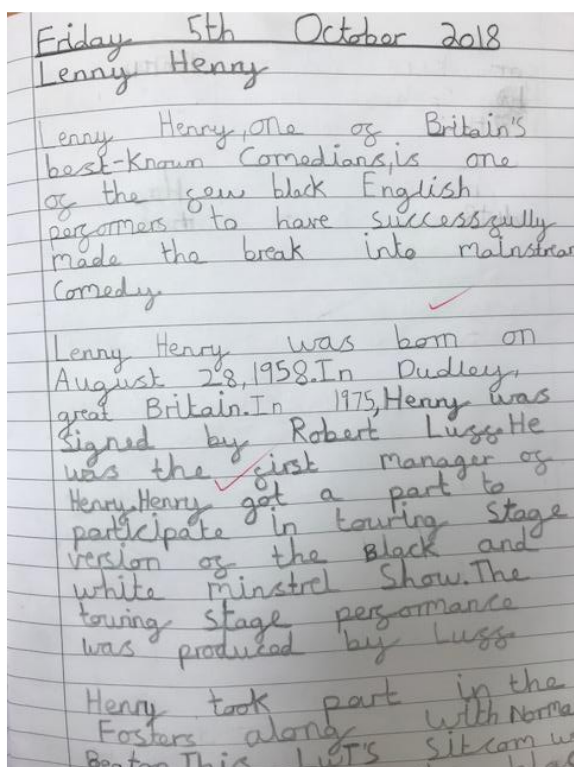

New City Primary School LONDON.

We may also provide your children with a sheet of questions linked to the learning that they have been learning that week

Friday

Friday's Long Write homework aims to give the children some additional practice with their stamina in writing, their handwriting and applying their grammatical skills. The work will be an extension of the learning in the classroom and is to be done independently.

Year 4 End of Year Expectations
